All on one side—the offer that's made by the proprietors of Dr. Sage's Catarrh Remedy. It's \$500 reward for an incurable case of Catarrh, no matter how bad, or of how long standing. They mean what they say; they're responsible, and the offer has been made for years. It's all on your side—you lose your catarrh, or you're paid \$500 for keeping it. But it's safe for them, too—they know you'll be cured.
